

GotSneakers?

GotSneakers is a unique fundraising program that asks communities to reach into their closets, not their pockets! The sneaker recycling program helps keep sneakers out of landfills. www.gotsneakers.com.

What is fundraising for?

Friends of Ralston Creek Neighborhoods (FRCN) is a non-profit group of neighboring communities near Ralston Creek Trail (RCT) encouraging environmentally sustainable development of a closed landfill. Our goals are to raise money for legal representation to protect RCT & protect the environment by keeping sneakers out of landfills. Funds from **GotSneakers** will benefit everyone who uses RCT--- 🎉 win-win 🥰 for all folks!

How does it work?

GotSneakers, a social enterprise, will issue funds in compensation for the collected sneakers. FRCN will earn funds based on the **total quantity** of gently worn, used, and new sneakers collected.

1. Raid your sneaker 🦶 stash!
2. **8/18-9/18** take your sneakers to a **GotSneakers** bag located on RCT by ColoradoTap House
3. Reward yourself--- your sneaker contribution **helps to preserve the environment on RCT!**

Which view would you rather see as you "walk-run-bike" RCT?
